TITLE Cream and Black Printed Silk Dress with Black Lace

DATE 04/10/10

## TREATMENT REPORT

BRIEF. cream silk ensemble with black print and lace  
DESCRIPTION  
(summarize from  
DESCRIPTION.MAIN) On arrival C pinned to B with two straight pins, now separate

### CONDITION OF ITEM (refer to condition report)

This ensemble is generally in good condition with the following exemptions:

Bodice:

1. Black lace has small holes and separated in places.
2. Lower sleeves of bodice missing.
3. Original lining on bodice separated and silk shattered.
4. Few small stains and under arm stains.

Skirt:

1. Inside lining of skirt missing.
2. Black lace has small holes and separated in places.
3. Few small stains on skirt.

### TREATMENT PROPOSAL

Bodice:

1. Put black net behind holes/tears in black lace and tack it on.
2. Research dresses of this time period to see what lower sleeves would have looked like. Possibly make reproduction of lower sleeves.
3. In area of original lining, cover with conservation net.
4. I will not attempt to remove any of the stains detailed in #4.

Skirt:

1. Make new separate possibly polyester lining for skirt, made with the same cut.
2. Put black net behind holes/tears in black lace and tack it on.
3. I will not attempt to remove any of the stains detailed in #3.

### TREATMENT REPORT

Day 1: detailed on report condition of dress and treatment needed, took pictures of problem areas on ensemble,
